BLUTUNE 65

The all in one solution for your music needs

What? Another Bluetooth speaker? – No this is more than that.

The Roberts Blutune 65 is not just a Bluetooth speaker but a sound system that offers docking connectivity and the latest DAB digital radio technology.

The Blutune 65 not only docks, plays and recharges the latest models of iPods and iPhones, but also iPads, which sit in the portrait orientation. Best of all, there is no need to place the iPhone or iPad in the dock unless you wish to charge it that way, because connection for playing your tunes can be via Bluetooth which also means you don't necessary need to have an Apple device to use it.

Any smartphone, laptop or tablet with Bluetooth will do the job just as well, you can play your music or the sound from your videos wireslessly through the speakers. You can also recharge a non-Apple device via the USB socket at the back of the unit.

The Blutune 65 is packed with the right features to make it a perfect addition to any kitchen, bedroom or living room.

Do you like cooking following online recipes whilst listening to your favourite radio station? Well the iPad docking feature on the Blutune 65 helps the iPad stand and this combined with DAB/DAB+/FM gives you access to all digital radio stations available in your area making it the perfect addition to any kitchen worktop.

The Blutune 65 also has two independent alarms perfect to place it in your bedroom to help you wake up to iPod/iPhone/iPad, radio or buzzer!

You can also expect superior sound quality due to its acoustically tuned cabinet as well as passive bass radiator which means that at high volume, you have plenty of room-filling sound from this compact unit.

The Blutune 65 not only it stands out in sound quality but also in looks with vibrant range of colours like sunburst orange, marine teal and black. **RRP £150**
